It's the most wonderful time of the year...

Sorry not sorry for getting that festive jingle lodged in your head. What can we say? Despite the glaring lack of snow here in Minnesnowta, the NC Team has had visions of sugarplums dancing in our heads all month long. So grab your coffee (or your cocoa) and stay awhile.

Click Cram Session

In the spirit of the holiday season, this month's cram session is all about testing your knowledge of a few of our favorite festive flicks. After all, the second best way to spread Christmas cheer is quoting Elf for all to hear.

Can you name these movies? Scroll to the bottom for the answers.

"I'm sorry I ruined your lives and crammed eleven cookies into the VCR."

"Aunt Clara had for years labored under the delusion that I was not only perpetually 4 years old, but also a girl."

"Bless this highly nutritious microwavable macaroni and cheese dinner and the

people who sold it on sale. Amen."

"I want to be a dentist."

"I know how you feel about all this Christmas business, getting depressed and all that. It happens to me every year. I never get what I really want. I always get a lot of stupid toys or a bicycle or clothes or something like that."

"What is it you want?"

"Real estate."

Light Holiday Reading

By now, you're probably ready to break out the eggnog and pop in one of those movies we just mentioned, but in case you're looking for some fireside reading, check out these blogs for some fantastic paid media tactics.
